# 120kW Folding Container Order

Who makes a folding container home?

As a manufacturer of Folding Container home, Folding Expandable Container, and Flat Packing containers, Grande upholds the philosophy of providing high-quality housing solutions and possesses years of production experience and industry knowledge.

What is a folding container house?

Aluminum sliding windows with safety bars, fire-resistant rock wool sandwich panel doors and Class A fire-resistant fabric panels. The folding container house is 100% fireproof, 100% waterproof, and 100% foldable design, which meets the standards of Germany, the United States, Japan, and Australia.

How long does it take to ship a solar container?

Standard solar container models can be manufactured and ready to ship in as little as 4-6 weeks. Customized configurations can take up to 8-10 weeks, with shipping times varying by destination. Do you offer after-sales support for mobile solar PV containers?

What is a solar panels on shipping container?

It not only transports the PV equipment, but can also be deployed on site. It is based on a 10 - 40 foot shipping container. Efficient hydraulics help get the solar panels ready quickly. Due to its construction, our solar panels on shipping container offers unmatched flexibility and maneuverability.
