
Boston solar panel manufacturer

What is Boston Solar?

Boston Solar is the #1 residential solar company based in Massachusetts, with over 4,000 installations. They are proud to power Massachusetts, a state that continues to lead the nation in solar installations. Boston Solar provides superior products, exceptional customer service, and the highest quality workmanship.

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.

Who is mass renewables?

At Mass Renewables, we are not just about solar panels; we are about independent energy sustainability. Our team is NABCEP-certified, OSHA-certified, and includes master electricians and licensed builders. This means your solar project is in the hands of experienced professionals dedicated to safety and excellence.

Do you need a rooftop solar system in New England?

Homeowners throughout New England are switching to solar energy, and you should, too. Rooftop solar panels have a long list of benefits that will save you money, reduce your impact on the environment, and reduce your reliance on your utility company. We are vertically integrated to ensure you get the most complete solar system for your needs.
