
Discount on 120-foot collapsible containers for urban lighting

What is a 48 x 40 collapsible bulk container?

A 48" x 40" collapsible bulk container is a reinforced container designed for loads up to 1,800 lbs. It is popular with manufacturers and industrial parts suppliers for transport, storage, and large item distribution. This container stacks and collapses flat in seconds, increasing the quantity per truckload on return shipments.

What size is a collapsible bulk container?

Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications. 32" x 30" bulk containers are ideal for handling, storing, and moving various dense small-to-medium-sized parts.

Can I rent collapsible bulk containers?

Yes, our collapsible bulk containers are available for rent if you only need them for a one-way shipment or for a short time. In addition to new containers, we also offer used ones to help you get more value on quality products.

What are DuraGreen® collapsible bulk containers?

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.
