
Huawei Kosovo solar panels

Why should you choose energy solutions in Kosovo?

Clean energy solutions designed to enhance efficiency and sustainability for homes across Kosovo. Comprehensive energy systems tailored to meet the unique needs of businesses locally and regionally. Advanced energy infrastructure solutions optimized for industrial operations in Kosovo and surrounding areas.

Who won the first renewable electricity auction in Kosovo?

The group won the first renewable electricity auction in Kosovo* with a bid of EUR 48.88 per MWh. Officials stressed at the time that Orllati is run by businesspeople from the Kosovar diaspora. Artane Rizvanolli now said that the successful auction would be the first of many that Kosovo* is preparing.

What can Teravolti do for Kosovo?

Advanced energy infrastructure solutions optimized for industrial operations in Kosovo and surrounding areas. Innovation in: North Macedonia, Albania, and partnerships across Europe, Asia, and North America. Explore our project portfolio and see how Teravolti is transforming Kosovo and the region with clean, sustainable solar energy solutions.

Who is Unisolar?

Based on previous personal experiences in energy systems and having it all the necessary European qualifications for photovoltaic systems, the two co-founders established company Unisolar L.L.C., with the aim of reaching the heights of a successful business in the field of renewable energy in Kosovo and wider.

HUAWEI FusionSolar advocates green power generation and reduces carbon emissions. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage ...

The solar power plant will help save more than 130,000 tonnes of carbon dioxide emissions annually. In total, 152 GWh of green electricity will be produced annually, benefiting ...

Discover how Unisolar's landmark 7.4 MW solar project at the historic Trepça mining complex is accelerating Kosovo's transition to renewable energy and independence.

To support the green transition in Kosovo*, one of its largest solar photovoltaic plants will be constructed on former ash dump fields near ...

Let's dive into why this project is a game-changer. Why Energy Storage Matters for Kosovo Kosovo has long relied on coal-fired power plants, but air pollution and EU decarbonization ...

Unisolar L.L.C. is the exclusive representative of the company AE SOLAR GMBH, for photovoltaic panels in the Republic of Kosovo and Albania. This made us proud as a company, motivating ...

Illustration/Solar Panels. Photo from the archive. Kosovo Hails Solar Energy Project as Potential Game Changer . capacity in the heating system in Prishtina and new neighborhoods with the ...

Huawei FusionSolar. Products & Solutions. Introducing the HUAWEI SUN2000-50KTL-M3: a robust multi-string inverter ideal for C& I PV systems. Designed with four independent ...

To support the green transition in Kosovo*, one of its largest solar photovoltaic plants will be constructed on former ash dump fields near Pristina with a capacity of up to 100 MW. The ...

The consortium led by Switzerland-based construction company Orllati was selected in early April to build and operate a solar park of up to 105 MW in connection capacity ...
