# Vietnam Ho Chi Minh Super Module Capacitor

How big is the capacitor manufacturing industry in Vietnam?

These initiatives have provided new growth opportunities for the capacitor manufacturing industry. In 2020, Vietnam's capacitor market size will be approximately US\$1.5 billion, a year-on-year increase of 5%. The market size will reach US\$1.6 billion in 2021, a year-on-year increase of approximately 7%.

Which country imports the most capacitors in Vietnam?

Vietnam relies on imports for 80% of its capacitors. Major importing countries include China, South Korea, Singapore, Japan and other countries. Imports will increase from US\$1.1 billion in 2020 to US\$1.2 billion in 2021. China (including Hong Kong and Taiwan) is the largest source, accounting for 61%.

What is a neo series supercapacitor?

The NEO series is applied to cylindrical supercaps from 1F to 15F and is available in 2-series 5.4V, 6.0V 0.5F~7.5F. requirements and application areas. Discover the design principles, performance features, and applications of VINATech's supercapacitor modules, including our Hy-Cap and customized solutions.

What is a HY-CAP 2 series module?

The Hy-Cap 2-series module combines two single cells in series, wrapped in a sleeve, and also provides customized modifications such as lead cutting, bending, and wire connections to meet customer requirements.

Vietnam, as one of Southeast Asia's emerging markets, is experiencing unprecedented growth opportunities. In the past two years, Vietnam's downstream electronic ...

LECI is the authorized distributor of Nittocon capacitors by Nitto Denshi in Vietnam. Nitto-Con is a high-frequency, high-power ceramic capacitor ...

Check new suppliers of super capacitor in Vietnam. Our data covers super capacitor exporters list in Vietnam, export quantity of super capacitor, value, traders and manufacturers name of ...

Discover the design principles, performance features, and applications of VINATech's supercapacitor modules, including our Hy-Cap and customized solutions.

Tin Lien is a Vietnam-leading marketer and distributor of electronic maintenance, repair operations, household products. Our Head Office located in Ho Chi Minh City, central business ...

---

Vietnam super capacitor market is a customer intelligence and competitive study of the demand, forecasts, trends, and macro indicators in Vietnam market. The dynamics including drivers, ...

Supercapacitor modules can be configured in series to increase the working voltage, which is referred to as a module string. Individual modules or strings of modules can ...

Nidec Vietnam Corporation Technical Center focuses on research and development in Vietnam, contributing to innovative technologies and solutions for diverse industries.

Discover how Vietnam's industrial growth fuels demand for high-performance capacitors. This article explores technical advancements, market trends, and why Ho Chi Minh City emerges ...

Ben Vung Corp is a supplier of medium voltage capacitor. Please contact us for more information about medium voltage capacitor, trading and medium voltage capacitor quote.

Capacitors are in stock with short-day shipping at IC-Vietnam from industry leading manufacturers. IC-Vietnam is supplier for many capacitor manufacturers including KEMET, ...
